

A black and white photograph of a train station. A train is visible in the background with several people looking out of the windows. In the foreground, a group of people, mostly men, are standing and talking. Some are holding papers or maps. There are several large suitcases and bags on the ground, suggesting a group of travelers or immigrants. The overall atmosphere is one of arrival and anticipation.

Benvenuti a Singen! festeggiamo insieme con racconti italiani!

Quando:

14. novembre, dalle 6
